A Letter from the Administrator

Greetings,

Happy winter to you all! Things are going well here, and I hope the same for anyone reading this. Obviously, a hot topic item is Covid, so I wanted to mention a few things regarding that. We had an open call for essential caregivers to get the vaccine through us, but that opportunity will not be available anymore. If you want it but haven't had a chance yet, please reach out to your county public health officials for information on when you can get it. The vast majority of our staff and residents have had both shots with very few issues. At the time of writing this, we have no active cases in employees or residents.

For quite some time we put many things on hold, but you may be pleased to hear its all coming back. Starting 02/18/2021, we will once again have an in-house beautician which means regular haircuts are back on the table. Communal activities and dining for our residents is in full swing. And outpatient therapy & home health are also available again through our company.

If you have any questions regarding our company's services, Covid policies, or other, please feel free to reach out through our website or call us at 507-583-4434. We also encourage those familiar with our business to follow & review us on facebook, indeed, and google reviews.

Best Regards,

Joseph Mason, Administrator

Valentine's Day Sweetheart Tree

This year, staff decided to create a Sweetheart Tree to bring back fond memories and to create opportunities for reminiscence for our residents. Everyone has loved looking at all of the beautiful hearts on the tree. Thank you to everyone who sent in pictures!
